Dedication

"Mr. Smith." That name, the direct address and reference of many a high-school student and citizen of New Buffalo for the past six years, is the Nestor of New Buffalo High School.

A Pennsylvanian by birth, Mr. Smith, as pictured above, has held the torches of hard work and study coupled with perseverance and self-reliance high, and these qualities have been the ideals of his New Buffalo students. Mr. Smith's life has been enriched by his early teaching years in the rugged, mountain country of Kentucky. It was, as Mr. Smith says, "The most interesting experience I've ever had." Life has not been of Riley for Mr. Smith, but he has weathered all squalls and storms with a skipper's skill.

After a half-century of dedication to a worthy profession, six years of them at New Buffalo, Mr. Smith has more than deserved the dedication of his New Buffalo High School.

FALL

Although autumn symbolizes the dearth and decay of nature, it twists and ushers in a bright, active, promising year for New Buffalo High School . . .

SCHOOL BOARD STUDIES PLANS FOR NEW SCHOOL

Supt. Reyher, Mrs. Trepany, Mr. Ghareeb, Mr. Russell, Mr. Shimkus, Mrs. Raz, Mr. Zientarski, Mr. Kelderhouse.

President Russell presides over a jovial group.

You have often heard the remark, "It's board policy." Who is this "board"? It is an elected committee of responsible, leading citizens who direct the community's education program. Composed of housewife, mechanic, lawyer, patrolman, businessman, and electrician, the school board enacted several significant issues for 1961--1962, including a wage increase for teachers and active consideration of a new high school to balance space and increasing school enrollment.

ADMINISTRATION

The future of the new Buffalo High School is very bright with the possibilities of better educational services for her students.

The rapid growth of our community has caused an increase in our school enrollment from eight hundred to nearly thirteen hundred students in ten years. Now, it is necessary for our community to provide for her youth larger and better high-school educational facilities and an expanded curriculum.

Good education is costly, but I firmly believe that the citizens of our community want their children well educated and are willing to sacrifice for it.

Congratulations and my best wishes to each one of you graduating seniors, and we hope that when you return in future years, you may expect a new New Buffalo High School.

The purpose of guidance in the school is to provide assistance to students with educational planning, vocational planning, and personal problems by working with individual students, parents, and the classroom teacher.

Dear Graduating Seniors,

Each year I see a new class graduate in June. You students become adult citizens who will shape the destiny of not only New Buffalo but of our country. How well you do this depends upon the knowledge you possess as you leave New Buffalo High.

Those of you who learned the skills of self-discipline and have developed good attitude as well as a sense of responsibility will be the ones who will succeed. Your future in mature life depends upon you as much and even more than your success in school was dependent upon you.

May I wish all of you the best of luck in this, your life away from New Buffalo High School.

SCHOOL BOARD PICKS BATTLE CREEK ARCHITECT

At a special meeting of the Board of Education of the New Buffalo Area Schools Monday evening, the architectural firm of Guido A. Binda and Associates of Battle Creek, was selected as the school architect for the contemplated high school building program.

This architectural firm designed the Lakeshore High School, the Brandywine High School and the addition to the Bridgman High School.

During the winter months the Board of Education interviewed eight architectural firms and visited approximately 12 new high schools designed by these firms.

A Citizen's Committee will be formed in the near future and a series of study meetings will be held.

We study guys like Washington, Hamilton,
and the rest,
But these aren't the names we remember;
there are others we like best:
We'll take George, Glenn, and Jerry any time
of the year,
But it's during basketball season they bring us most cheer.
To add to this tall trio, we'll take our boys named Jim,
For this quintet, we'll ne'er forget, no matter what subject we're in.
To give support to this fine team, we'll add LeeRoy, Bob and Jack,
For speed, pep and desire, these boys sure do not lack.
So even though we try to learn about Lincoln, Grant, and Lee,
I'll take the guys on our varsity team--they seem to mean more to me.

Will this ever end?

Do, so, do!

Jan's big chance for stardom!

Talent is a commodity which New Buffalo has in abundance. Staging two shows second semester, the Student Council produced such entertaining talent as first-show winners, Sosnouski & Vejda Present (top left), and second-show winners, The Sing-Along-with Witch Quartet (bottom center).

Early in the fall Tom Sexton was injured in a hunting accident, which hospitalized him for many months. Student Council President Jim Karagon presents Tom's mother with a Christmas gift for Tom from the New Buffalo studentry.

ALL-SCHOOL PLAY OPENS VEIN OF LAUGHTER

That's a good line!!

Help! I'm stuck!

The cast relaxes

"That's right, Elmer, sonny," a memorable line from the school's early-spring, three-act comedy, suggests the laughter and hilarity which accompanied LOVE IS IN THE AIR. Directed by Mrs. Betty Turner, the play was comparable to many of television's domestic tribulations, this one given a triple twist by having Father Truitt (Mel Vorel) attempt to evade a free jet ride while his family strives diligently to secure his jet seat. The play was interwoven with doublefold amour with girls (Lovey Blazek, Jean Scarberry, Sally Stewart) being romantically rushed by boys (Bill Hamann, Don Knaute, Ron Ferguson).

New Buffalo School Play Is April 13-14

Oh Dad, isn't it wonderful?

The buffoonery ends as adorable, old Gramps Truitt (Chuck Wright) receives the free jet ride, a merry denouement for a fine romatic comedy, performed well by Turner's Troupe.

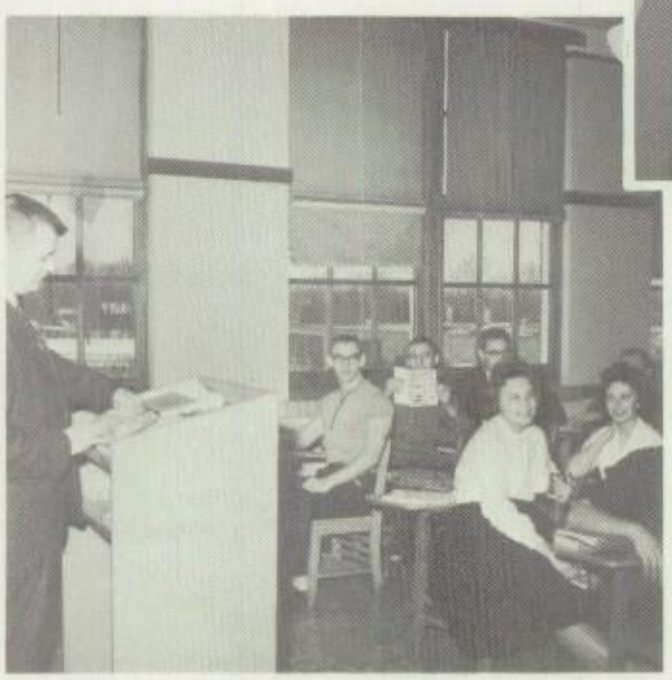
VALEDICTORIAN

In Memoriam



MARYANNE FREY
Honor Society, 1,2, 3,4 (Pres.); GAA, FHA, Pep Club, Annual Staff.

Valedictorian of the senior class, an active leader in church, school, and society, and admired by all as an exemplary American youth, Maryanne Frey envisioned a future of college life at Western and a teaching career. Her valedictory was spoken suddenly and shatteringly only three weeks before graduation when she was killed in an automobile collision.

Words struggle but cannot express the grief and sorrow of the aftermath. Death at the summit of her youthful years does leave bright, radiant memories of Maryanne and the assurance that she will be our Valedictorian in life, our senior saint.

BEST WISHES AND MUCH SUCCESS

TO THE

1962 GRADUATING CLASS

New Buffalo is a steadily growing, prosperous and progressive town for which the future offers much, but on the night of May 7th a spark ignited a raging fire which razed the main business section of town, destroying Scotty's Restaurant, Josenhans's Drug, and Hoder's Grocery.

Despite this setback, New Buffalo rebounded immediately in rebuilding the destroyed businesses. By the time this is published, New Buffalo and its businessmen will once again be striding towards new and promising prosperity.

AFTER AWARD DAY . . .

Right: Mr. Sosnouski presents DAR Award to Jan Kissman; GAA Advisor Turner honors Carol Clark; FHA Advisor Klinker hands Crisco Award to Pam Hull.

. . . ALL EYES LOOK TOWARDS THE. . .

Top left. Student Council Officers: Sec. Cheryl Henderson, Pres. Jim Karagon, V.P. Charlene Paloucek, Treas. Jim Sosnouski.
Cheerleaders: Jean Smith, Steffie Kaufman, Kathy Erhardt, Delores Brandon, Kay Kelderhouse.

Award-winning poets: Jill Moulok, Nancy Wilkie, Sharon Shreve, Chuck Wright, Advisor Larson; Solo and Ensemble Virtuosos: Steve Hart, Director Yingling, Russ Holms, Judy Kucera; Bottom Left. Frosh Pres. Iam Buchanan soberly receives Pep Jug from Student-Council Pres. Karagon; Junior-Varsity Coach Prynn accepts gift from Team rep. Larry Bland; Ron Thompson hesitantly greets new faculty member, Cal Cium, as named by Judy Kucera.
